

CONVERGENCE – POSTER FORMATTING INSTRUCTIONS

To ensure coherence and readability across all conference posters, please follow the instructions below.

- **Poster size and format**
 - Final format: **100 × 70 cm**, as indicated in the template.
 - Posters must be prepared in **portrait orientation**.
 - Files must be submitted in in vectorial **PDF format** only.
- **Structure and text**
 - Text must be provided only in the designated sections: **Title, Author(s), Affiliation(s), Introduction/Background, Methodology, Results/Analysis, Conclusions, and Contact Information**.
 - **The abstract should not be included** on the poster.
 - Text must appear exclusively in the **right-hand column**, without altering the predefined section titles.
 - The **TT Hoves font** (provided in the archive) and the default font sizes must be preserved.
- **Images and layout**
 - All illustrations must respect the **grid structure** of the template.
 - **Additional images, diagrams, and schemes** not included in the final paper **may be inserted** to further clarify or expand the study.
 - In the main area dedicated to visuals, the only text permitted is the **caption/description of each illustration**. The same font and size as in the side column must be used.
 - Illustrations must be placed according to the grid dimensions. The reference PDF includes suggested layout options.
 - **Do not resize, move, or alter** the standard graphical elements of the poster.
- **Colours and graphical identity**
 - The **colour scheme** included in the template must be preserved.
 - **No additional backgrounds, logos, or graphic effects** may be added.
- **Authors and affiliations**
 - The list of authors and affiliations must correspond to the final paper submitted. No additional authors may be added.
- **Submission**
 - Posters must be submitted in **PDF format** via conference email address no later than **29 September 2025**.
 - Please do not send InDesign packages or separate image files.
- **Template archive** The archive includes:
 - InDesign template
 - Reference PDF
 - Template Fonts.
